'Groups of 8' Music Lessons

Dear Parent/Guardian,

The County Music Service are joining with your school to start a scheme called 'Groups of 8' instrumental lessons.

This scheme enables groups of up to 8 children to learn an instrument each week for half an hour. This is a great first step for children wanting to start off playing an instrument and who want to discover the fun that playing together as a group can give. The children are taught as a mixed group and is a great way of starting their musical journey.

These lessons provide a chance to play and learn in a mixed group and the cost would work out to approximately **£2.81** per week (paid each term) which, given the free instrument loan too is exceptionally competitive.

This is a rare opportunity to learn an instrument for a comparatively small cost. If you would like to find out more information about the scheme please contact your school's music co-ordinator.

Yours sincerely,

Mrs E C Calvert
Assistant Head
North Yorkshire County Music Service
