

Anti-Bullying Charter

Bullying is the repeated targeting of an individual or group to intentionally harm them either physically or emotionally, resulting in making them feel out of place, unsafe or bad about themselves.

I will always try to be on my best behaviour

I will treat all children and adults fairly

I will be kind and helpful towards others

I will respect people from all religions, races and backgrounds

I will take responsibility for my own actions and the words I use

I will not take my own anger out on another child or adult

I will not use language that offends other people

I will tell an adult if I am feeling hurt or bullied

We agree to uphold the Anti-Bully Charter and make our school community a happy and safe place in which we can all do our very best.
