

'12 Days of Christmas'

The Appleton Wiske Trail

This December, the village is coming alive with a festive treasure hunt.

From 1st December, 12 houses around Appleton Wiske will each display a number in their window. Find them all, from the partridge in a pear tree to the twelve drummers drumming, for your chance to win a Christmas prize.

How to take part:

- Pick up an entry form from The Village Shop (£1 per entry)
- Enjoy a festive stroll around the village in search of all 12 numbers
- Make a note of each location on your entry form
- Hand your completed form back to the shop by 20th December to be entered into the prize draw

The lucky winner will be contacted to collect their prize just in time for Christmas Day!

The competition is open to all ages. Families, friends, and visitors are all welcome.
