

Appleton Wiske Community Primary School  
Nursery Parent/Carer Survey – December 2025

Dear Parents/Carers of Nursery Children

Thank you for responding to our recent survey, the findings of which are presented below. If you did not respond to the survey, we would welcome feedback at any point during the school year.

Number of children: 9

Number of responses: 7

Because of rounding, some totals do not equal 100%

	Strongly Agree	Agree	Disagree	Strongly Disagree	Unsure
My child is happy in the Nursery	57%	43%			
My child is safe in the Nursery	71%	14%			14%
My child is well cared for in the Nursery	71%				29%
My child is provided with good quality learning experiences (including outdoors) in the Nursery	71%	14%			14%
My child receives good quality support for their developmental needs	71%				29%
The Nursery is organised, tidy and clean	71%	14%	14%		
I receive updates on my child's learning and progress	14%	43%			43%
Staff are friendly and approachable	71%	29%			
Communication is effective	29%	57%			14%
Drop-off and collection procedures are effective	43%	57%			
The opening hours suit my needs	43%	57%			
The Nursery offers good value for money	71%	29%			
The Nursery is an important part of the school and my child benefits from being connected to the whole-school community	57%	43%			
I would recommend the Nursery to others	57%	43%			

General Comments

"\_\_\_ loves coming to the nursery!"

"I really appreciate the hard work and commitment the nursery staff have shown towards my child."

Thank you for these positive comments – they are very much appreciated.

Your responses have been overwhelmingly positive – thank you. I would encourage any parent/carers who responded 'disagree' or 'unsure' to please get in touch and I will be happy to discuss any queries or issues you may have.

Your opinions help to shape the school and guide us in making it better for every member of the school community. Thank you for your support.

Yours faithfully

Mr N Clark  
Head Teacher
