We encourage our teams to share photos of the meals they prepare to highlight their skills.

It would be great to see happy children enjoying these delicious meals if you would like to share these with us.

We will also share the Pumpkin Carving Competition Winners later in the Autumn Term!

We can't wait to celebrate all of these events with you!

I hope that you're having a great start to the Autumn term, and are enjoying the fresh and healthy 3-weekly menu choices available. We have been gradually rolling out the new look and feel branding, NYES Catering, and as part of this I think it's really important we share successes of our catering teams, and the joy that food can bring with you. Our service aim is to bring enjoyment to your school lunchtimes with tasty, fresh and healthy food — please let us know if there's anything else we could be doing to help you.

I also can't wait to see all of the fantastic pumpkins in the upcoming weeks!
