We're committed to our Farm to Fork ethos, all our meat is Red Tractor certified and we use locally sourced produce where possible.

Additional options may be available at your school. Please speak to your school for further information

**"I can see why my child loves the korma so much! I have tried to recreate the recipe at home using many different products from the supermarket but none of them taste as nice as this."**

Our meals adhere to the Government's mandatory school food standards, which ensure children get the energy and nutrition they need across the whole school day.

Please be aware that we are unable to guarantee a completely food allergen-free environment, as foods containing allergens are used in the kitchen.
