Appleton Wiske Preschools Bingo Lotto

Our Bingo Lotto starts a new game on Saturday 11th March.

If you would like to join it is £10 for a line.

How does it work -

You choose 6 numbers from the national lottery 1 - 59

Then each Wednesday and Saturday when the national lottery is drawn we take the bonus ball number and if that number is one of your 6 numbers it is crossed off like Bingo. The first person to have no numbers left wins.

The more people playing the larger the winning pot. The last winner won an amazing £1000 and preschool received £1000.

Please have a go and help preschool raise some much needed funds.

Please get your money and 6 numbers to preschool by the 11th March.

Thanks for your support.
